

Farmhouse Fusion

Juicy Farmhouse Ale

Alesong's take on New England's favorite beer style. This brett-fermented saison blends mature barrels from our cellar with younger beer brewed with a heavy dose of Mosaic hop extract. A generous dry-hop on the final blend with Strata and Nelson Sauvin results in juicy, tropical flavors and aromas that meld perfectly with the complex yeast profile and mild acidity.

Food pairings: Clothbound cheddar, mango peach salsa, grilled portabella mushroom sandwich with goat cheese, peach cobbler with vanilla ice cream
