

# Kentucky Kilt

## Scotch-style ale aged in Kentucky bourbon barrels

A perennial fan favorite, Kentucky Kilt is our malt-forward, amber-colored, Scotch-style ale that was matured this year in a variety of high-end Kentucky bourbon barrels. The freshly emptied casks induce tantalizing aromas of bourbon, vanilla, and oak, while hints of ripe fruit and toffee round out this unique and complex barrel-aged blend.

**Food pairings:** Grilled peaches with honey mascarpone, lemon herb barbecued pork chops, brown sugar butterscotch pecan cookies
