

# Valley Preserves

## Oak aged sour ale with blueberries and cherries

An ode to the bounty of Willamette Valley harvest, Valley Preserves is a refreshing and jammy ale aged on biodynamically grown blueberries from our neighbors at King Estate and Oregon cherries from Hood River. Luscious fruit character explodes from this vibrant magenta-hued beer and is balanced against a firm, oak-induced, tannin structure and a crisp, dry finish.

**Food pairings:** Grilled pork tenderloin, honey-glazed carrots, mascarpone chocolate mousse with blueberry and thyme
